

Press release

Fidia S.p.A.: Star Conference London

Torino, October 2, 2014 – the Company informs that tomorrow, October 3, 2014, will attend at the Star Conference London.

The documents that will be shown during that event are available at the corporate internet site, www.fidia.com, Investor Relations section and are also available at the 1Info storage system (www.1info.it).

Fidia S.p.A., headquartered in S.Mauro Torinese (TO), is a world leader in the design, production and distribution of integrated systems for the realization of complex shapes used primarily for printing presses. With approx. 320 employees, Fidìa is known as one of the few companies working in the three different technologies that allow for complete management of the splicing process, from post planning to the final product. In particular Fidìa produces and distributes: numerical control devices for milling systems, high speed milling systems, CAM software for the cutting of complex shapes.

Fidia S.p.A. (Reuters FDA.MI – Bloomberg FDA IM) is listed on the STAR segment (MTA) of the Italian Stock Exchange and has a capitalization of approx. € 16 million.

News and additional information about the company can be found on the corporate website at www.fidia.com
